

Michigan Tech Graduate School
Summer 2008 Doctoral Finishing Fellowship Application

Due in the Graduate School by April 4, 2008, 4:00pm
Please return to Debra Charlesworth

Students who have previously been awarded a Finishing Fellowship are not eligible.

Only PhD candidates are eligible.

Name: _____

Degree Program: _____

M-Number: M _____

E-mail address: _____@mtu.edu

Please include the following with this application:

- Curriculum vita
- A one-page statement written by the applicant describing the research topic and future career plans. This should be written so that faculty from all colleges at the university can understand the research and its significance.
- A letter of support from the advisor. The letter should address the likelihood of the applicant finishing the PhD in the next semester, the impact of the research and applicant on [The Michigan Tech Plan](#) and the impact of the candidate's future plans on [The Michigan Tech Plan](#).

I nominate this student for a Summer 2008 Doctoral Finishing Fellowship.
